

## 2003 Waugh Cellars Napa Valley Cabernet Sauvignon, Oakville

Harvest Date: October 30, 2003

Brix: 25.0

Ph: 3.4

% Alcohol: 14.5%

Production: 300 cases

Winemaker: Ryan Waugh

This wine, which represents our first Cabernet Sauvignon from the sought after Oakville region of Napa enjoyed a long, 26-day juice to skin contact before maturing in a wonderful combination of French, American and Hungarian barrels.

Elegantly styled with beautiful plum and cherry flavors this wine is pure Oakville. Herb and spice on the nose and a wonderful integration of the oak make this a gorgeous wine to enjoy now but one will benefit from additional aging of up to 8-10 years.
